### ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation No. Nature of Noncompliance

1. **The defendant is ordered to serve 45 hours of community service within the first year of probation period; on or before December 12, 2012.**

As of December 12, 2012, Mr. Medina had completed 31 hours of community service, failing to meet the 45 hours of service ordered by the Court. He has 14 hours of service remaining to be completed.

**Compliance with Supervision Conditions and Prior Interventions:**

Mr. Medina began probation on December 12, 2011. He is scheduled to terminate supervision on December 11, 2013. He has maintained full-time employment at Discount Tire during his probation period. Frequently, he has worked more than full-time hours for his employer and is highly regarded for his work ethic.

Mr. Medina moved in with his mother, brother and sister in October 2012, in order to assist with rent and utilities. The family had become behind in rent payments and were close to eviction. Shortly after, his child support payments were increased. Due to increased expenses, Mr. Medina sold his car and reduced many of his living costs to assist his family. He completed 31 hours of community service with Warner Parks. Following the sale of his car, he has been unable to obtain transportation for the remaining hours of community service at that location. Some days, he walks to work, a distance of greater than 3 miles one way. He has been advised to complete the remaining 14 hours at a location closer to his home. He has remained compliant with all other conditions of probation.

**U.S. Probation Officer Recommendation:**

It is respectfully recommended that Mr. Medina be continued on probation with no further action at this time.

The U. S. Attorney's Office has been notified of this violation and concurs with this recommendation.

Britton Shelton
